

2009 Outstanding Directors Advisory Board

Alfred R. (Al) Berkeley III

Chairman and CEO, Pipeline Trading Systems, LLC

Director: ACI Worldwide, Kintera (Chairman)

Currently Chairman and CEO of Pipeline Trading Systems, LLC, a block trading brokerage service. He was Vice Chairman of NASDAQ from July 2000 through July 2003 and served as President of NASDAQ from 1996 until 2000. From 1972 to 1996, Berkeley was with Alex. Brown & Sons most recently as Managing Director and Senior Banker in the corporate finance department. He took a leave of absence from Alex. Brown to serve as President and CEO of Rabbit Software, a public telecommunications software company. He also served as a Captain in the U.S. Air Force and a Major in the U.S. Air Force Reserve. Berkeley holds a BA from University of Virginia and an MBA from Wharton. He was a director of Webex Communications until it was acquired by Cisco in 2007.
