

2009 Outstanding Directors Advisory Board

Dwight W. Decker, PhD

Retired Chairman and CEO, Conexant Systems

Director: Conexant Systems,

Mindspeed Technologies (Non-executive Chairman)

Chairman of Conexant Systems (a broadband communication semiconductor company) since 1998. Dr. Decker served as Conexant's CEO from 1998 until March 2004 and from November 2004 until 2007. He served as SVP of Rockwell International (now Rockwell Automation) and President of Rockwell Semiconductor Systems (now Conexant) from July to December 1998; SVP of Rockwell; and President, Rockwell Semiconductor Systems and Electronic Commerce prior thereto. Dr. Decker is also a director of Pacific Mutual Holding Company (a privately held life insurance company), BCD Semiconductor (a privately held analog component semiconductor provider), and Newport Media (a privately held semiconductor company). He was a director of Skyworks Solutions from 2002 until March 2008.
