

## 2009 Outstanding Directors Advisory Board

### **James D. (Jamie) Wareham**

*Partner, Litigation Department, Paul Hastings*

Global Chair of Paul Hastings' Litigation Department. Wareham currently leads Paul Hastings' representation of UBS in response to the crisis in the auction rate securities market, and he leads the firm's representation of a Fortune 10 company under review by the Department of Justice and the SEC in connection with overseas payments. He also represents the CEO of Fannie Mae; a hedge fund under review by the New York Attorney General; the CEO of a publicly traded corporation in the housing industry; the audit committee of a Fortune 30 technology company; and the audit committee of a NASDAQ company involved in option backdating investigations.
